

Travel Packages

Come join us for a most unforgettable vacation! We offer personal, escorted travel packages to Greece which will elevate your experience to one that is meaningful and awe-inspiring!

In order to provide you with the level of personal service that KG Imagery takes pride in offering, we prefer to limit our groups to a maximum of 6 people, in addition to ourselves. We are personal travel escorts that will be there with you

to help you with interpretations, reading menus, ordering food and drink, asking questions, and interacting with the Greek people. We will take you to places you've always heard of, and to others that will offer you a chance to discover something new and unexploited. We will see to it that you experience Greece the way it should be experienced, with all five of your senses...

- ❖ You will hear the language, the music and the sounds of laughing children.
- ❖ You will see the beautiful ancient landmarks, the vibrant blues of the sea reflected in the architecture, the smiles of warm, friendly people.
- ❖ You will smell the mouth-watering aromas drifting from every taverna, sweet shop and coffee house you pass.
- ❖ You will taste authentic Greek cuisine...food that is as healthy as it is delicious.
- ❖ And finally, you will feel the clean Aegean air and be touched in a way that will stay in your memory for years to come, a place you can return to in your mind over and over again.

We've combined the best aspects of travel agents and tour guides, keeping our groups small, and enabling us to offer you the utmost in personal attention and

service. Our tours do not involve buses or motor coaches. Depending on the size of the group, all land travel on the mainland is via new, air-conditioned Mercedes Benz sedans, SUV's or vans, with strictly non-smoking drivers. On the island, we will rent either a Hyundai 4-door sedan or a Fiat mini bus, both with air conditioning. The cost of these is included in the package rate.

And finally, since we are also professional photographers, all our packages include a picture CD or DVD (your preference) that captures every special moment of your trip. You will not have to stop strangers and ask them to take a picture of you using your camera! It will be a great way for you to share your "*Grecian Memories*" with your friends and family, as well as providing a way for you to re-live your trip as often as you'd like.

Take a moment to look at our packages. If any of them appeal to you, drop us an email or complete one of the Travel Forms ([Package Tour Form](#) or [Custom Tour Form](#)), and let us know how we can help you plan the best vacation of your life! You can also get a feel for what the trip will be like by reading [Helen's Journal](#), where you'll also find helpful traveler's tips, passport information, checklists, and more.

Some Things to Consider

Our Package Tour quotes include air and ground transportation within Greece, hotel accommodations and private tours.

We can often customize the trip to suit your needs, at the same time making sure that you taste the true flavor of the country in a way that will awaken your senses. Please complete the [Custom Tour Form](#) with your preferred options.

You can book your own flights from the US (or your country of origin), to Greece, or we will be happy to assist you with that, as well. Please complete the [Custom Tour Form](#) with this request.

Meals (except for the included breakfast buffets), drinks, tips, souvenirs and any other shopping or extra expenses you incur during the trip will be your responsibility.

Our trips are designed for the adult traveler, and are not recommended for children under 14 years of age. All travelers will be charged the same quoted rates. Please complete the [Custom Tour Form](#) when dependent children will be traveling with you.

You can choose to join us for the first week only on the mainland, for the second week only on Lesbos Island, or for one of our 2-week trips. Our next excursion will be announced soon. We hope you decide to join us.

Please see our [Itineraries](#) for detailed descriptions of the following Package Tours.

PACKAGE 1 - WEEK 1 ONLY

7 days in Mainland Greece

This is the first leg of the trip and is based out of Athens. You will be visiting ancient sites, including the Acropolis (Parthenon, Erectheon), Cape Sounion, the

Peloponnese-Argolis Tour (Corinth, Mycenae, Epidavros), and a two-day tour to see the ancient ruins at Delphi, the site of the famous Oracle, including an overnight stay at a quaint mountain resort in nearby Arachova.

Note: This package involves a considerable amount of walking, much of it uphill. Unless you are in fairly good physical condition and able to walk several miles and/or uphill, we recommend that you consult your physician before considering booking this trip.

If you choose this package, you will be arriving and leaving from Athens Airport.

\$285 single occupancy premium (\$1685 per person)

PACKAGE 2 - WEEK 2 ONLY

6 Days on Lesbos Island

This is the second leg of the trip and is based on the island of Lesbos in the Northeastern Aegean. This remarkable island (the 3rd largest in Greece) has not yet been discovered by most tourists and is still relatively unspoiled by

modernization. This is where you will experience the “true” Greece, where many of the local villagers do not speak English, you have to brake for donkeys or goats crossing the road, and prices are low.

This island is rich in ancient history, with several castles, old churches and monasteries, all of which can be seen on one of the day tours around the island. We will also visit colorful tavernas, amazing beaches, and quaint mountain villages where artisans sell their

hand-made wares. For those interested, we can even make plans for scuba diving.

If you choose this package, you will be arriving in Athens and taking an Aegean Airlines flight to Mytilene the same day. You will then return to Athens and leave for home.

\$445 single occupancy premium (\$1485 per person)

PACKAGE 3 - WEEKS 1 & 2

13 Days on Mainland Greece and Lesbos Island

This is for those of you who wish to join us for two weeks and includes both of the above packages. We discovered on our first trip that this was like going on two separate vacations. The first week in and around Athens is fast-paced and covers the places you've read about in the history books and on travel websites.

Then, when you arrive on the island, you have a whole new experience.

The pace is MUCH slower, everything costs less, and you get to experience Greece the way the Greeks do.

If you choose this package, you will be arriving in Athens, where you will spend the first week, then fly from there to Mytilene on Aegean Airlines. After a week on the island, you will then be returning to Athens and will leave for home.

\$2250 per person, based on double occupancy

PACKAGE FOUR - 2 WEEKS ON LESVOS ISLAND

13 Days on Lesvos Island

This package consists of two leisurely and fairly inexpensive weeks on the beautiful island of Lesvos, also known as Mytilene. Being the 3rd largest island in Greece, it offers a wide variety of sites and activities that could easily fill your two-week stay.

Being based near the capital town of Mytilene gives you the option of hanging around at the resort's private beach for the day and driving into town in the evening for a meal, or embarking on one of several day tours that are available on the island. A two-week stay will also give you more time for extras, like scuba diving or taking the ferry for a day-trip to Turkey.

This is an ideal package for travelers that are looking for a slower-paced and more relaxed vacation, one full of sparkling beaches, quaint villages and rich Greek tradition. This is a trip that will linger in your memory for years to come, beckoning you to return over and over again.

If you choose this package, you will be arriving in Athens and taking an Aegean Airlines flight to Mytilene the same day. At the end of two weeks, you will return to Athens and leave for home.

Rates

Please keep in mind that these rates DO NOT include air transportation from the US. These prices are subject to change by the time reservations are made, and are estimated as closely as possible with the most current rates available at the time of this update.

If you are traveling alone, you may have the option of a single room in Athens (which is usually a slightly lower rate), or, depending on who else is traveling with us, share the cost of a double room with another single traveler for even greater savings. Most hotels on the island do not have single room options, so the full rate is often charged.

Customizing Your Travel Itinerary

By keeping our groups as small as we do, we are often able to customize or fine tune our trips to accommodate specific requests. For instance, you may prefer to spend only 2-3 days on the mainland, and the rest of the time on the island; or you may want to eliminate one or more tours, either on the mainland or the island, and spend the time shopping, sunning at the beach or pool, exploring on your own...or doing nothing at all.

This form should also be used when you intend to bring dependent children with you, although we strongly recommend you do not bring children under the age of 14.

Depending on the number of people in the group, and on the selections each one makes, we will do our best to put together a package that appeals to everyone. Just go to the [Custom Tour Form](#), where you will find a variety of activities and options from which to choose.
